CHARTERED ACCOUNTANTS

# Independent Auditor's Report

To the Members of INDIABULLS ASSET RECONSTRUCTION COMPANY LIMITED

# Report on the Audit of the Ind AS Financial Statements

### Opinion

We have audited the accompanying Ind AS financial statements of "Indiabulls Asset Reconstruction Company Limited" ("the company") which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations give to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principal generally accepted in India, of the state of affairs of the company as at March 31, 2024, the profit/(loss) and total comprehensive income, change in equity and its cash flows for the year ended on that date.

## Basis for opinion

We conduct our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditors Responsibilities for the Audit of Financial Statements section of our report. We are independent auditor of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other Ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

# Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprise the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board Report's, Business Responsibility Report, Corporate Governance and shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, is doing so, consider whenever the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

# Management's Responsibility and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act' 2013 ("the Act") with respect to the preparation of these financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, cash flows and changes in equity of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimate that are reasonable and prudent, and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

The board of directors are responsible for overseeing the Company's financial process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting from
  error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act,
  we are also responsible for expressing our opinion on whether the Company has adequate
  internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting
  and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including
the disclosures, and whether the financial statements represent the underlying transactions and
events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms Section 143(11) of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), the statement of change in equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the director is disqualified as on March 31, 2024 from being appointed as directors in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B". Our report express an unmodified opinion on the adequacy and operative effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company does not have any pending litigations which would impact its financial position as on 31<sup>st</sup> March 2024.
  - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There were no amounts which were required to be transferred to the investor Education and Protection Fund by the Company.
  - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provided any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v) The Company have not declared and paid dividend during the year, accordingly compliance u/s 123 of the Act is not applicable to the company.
- h) The managerial remuneration paid or provided is in accordance with the requisite approvals mandated by the provision of Section 197 read with Schedule V of the company Act, 2013.
- i) Based on our examination, which include test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transaction recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tempered with.

As per proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

# ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Indiabulls Asset Reconstruction Company Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-to-use assets.
  - (B) The Company does not have any Intangible assets accordingly, the provisions of clause 3(i)(a)(B) of the Order are not applicable to the Company.
  - (b). The Company has a program of physical verification of Property, Plant and Equipment at reasonable intervals, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
  - (c). The Company does not have any Immovable Properties; accordingly, the provisions of clause 3(i)(c) of the Order is not applicable to the Company.
  - (d). The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year ended March 31, 2024.
  - (e). No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (A) The Company does not have any inventories; accordingly, the provisions of clause 3(ii)(A) of the Order are not applicable to the Company.
  - (B) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(B) of the Order is not applicable.
- (iii) The Company has made investments in Security Receipts as a part of its normal course of business during the year. The Company has not granted any loans or advances, secured or unsecured or given any guarantee or security to companies, firms, limited liability partnerships or any other parties during the year. With respect to such investments and loans and advances:
  - (a). The Company principal business is asset reconstruction and therefore it needs to make investments or provide loans for undertaking restructuring. Accordingly, clause3(iii)(a) of the order is not applicable to the company
  - (b). In our opinion, the investments made during the year are, not prejudicial to the Company's interest.
  - (c). In respect of loans and advances in the nature of loan, the company has not provided any loan or advance in the nature of loans during the year.

- (d). The company has not provided any loans or advance in the nature of loans, hence there is no overdue amount remaining outstanding as at balance sheet date.
- (e). The Company principal business is asset reconstruction and hence, clause 3(iii)(e) of the order is not applicable to the company.
- (f). The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (iv) The Company has neither granted any loan nor invested in any securities of body corporate as mentioned in Sections 185 and 186 of the Companies Act, 2013. Hence Clause 3 (iv) of the order is not applicable to the company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits within the meaning of directives issues by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Therefore, the provision of clause 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause(vi) of the order is not applicable to the company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service tax, duty of Customs, duty of Excise, value added tax and cess and any other statutory dues to appropriate authority have generally been regularly deposited during the year by the Company. According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employee's State Insurance, Income-tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess and other statutory dues were in arrears, as at March 31, 2024 for a period of more than six months from the date they became payable.
  - (b) According to the information and explanations given to us and the records of the Company examined by us, as at March 31, 2024, there are no dues in respect of income-tax, Goods and Service Tax, duty of customs, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and the records of the Company examined by us, as at March 31, 2024, there were no such transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- a. The company has not defaulted in repayment of loans or other borrowing or in the payment of interest thereon to any lender. Hence reporting under clause 3(ix)(a) of the order is not applicable.
  - The Company has not been declared willful defaulter by any bank or financial institution or government or government authority.

- c. According to the information and explanation given to us by the management, the company has not taken any term loan during the year except ICD. Hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d. On an overall examination of the financial statements of the company, fund raised on short term basis have, prima facie, not been used during the year for long term purpose by the company.
- e. The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or joint ventures and hence reporting on clause 3(ix) (c) of the order is not applicable.
- f. The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate company and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
  - b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi)
   a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - c. The Company has not received any whistle blower complaints during the year (upto the date of this report).
- (xii) The company is not a Nidhi company, therefore the provisions of paragraph 3(xii) of the order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a). In our opinion the company has an adequate internal audit system commensurate with the size and the nature of its business. However, The internal audit currently on going for 2<sup>nd</sup> half ended 31<sup>st</sup> March 2024.
  - (b). We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) Company has not entered into any non-cash transaction with directors or person connected with him and therefore the provisions of section 192 of the Companies Act' 2013 are not applicable to the Company.

- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable.
  - (b) The company is not a Core Investment Company (CIC) as defined in the regulation made by the Reserve Bank of India. Hence, reporting under clause 3(xvi)(c) of the order is not applicable.
  - (c) Based on the information and explanation given to us and as represented by the management of the company, the group (as defined in Core Investment Companies (Reserve Bank) Direction, 2016 does not have more than one CIC part of the group.
- (xvii) The Company has incurred cash losses amounting Rs. 23,96,77,936/- during the financial year covered by our audit and no cash loss incurred in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statement s and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

(xx)

- (a) There are no unspent amount towards corporate social responsibility (CSR) on other than ongoing project requiring a transfer to a fund specified in schedule VII to the Company Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Hence, reporting under clause 3(xx)(a) of the order is not applicable for the year.
- (b) The company does not have any ongoing project as specified in sub section (5) of section 135 of said Act. Hence reporting under clause 3 (xx)(b) is not applicable.

#### ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on other Legal and regulatory requirements' section of our report to the members of Indiabulls Asset Reconstruction Company Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Indiabulls Asset Reconstruction Company Limited**, ("the Company") as of March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to financial reporting were operating effectively as at March 31, 2024, based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 1. Corporate Information

Indiabulls Asset Reconstruction Company Limited ('the Company') was incorporated on 2 November 2006 with the object of engaging in the business of asset reconstruction. The Company has been granted certificate of registration from Reserve Bank of India (RBI) on 19 May 2017 to commence the business of securitisation or asset reconstruction under section 3 of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("SARFAESI Act"). The Company is domiciled in India and its registered office is situated at One International Centre, Tower-1, 4th Floor, Senapati Bapat Marg, Elphinstone Road, Mumbai, Maharashtra 400 013.

### a. Basis of preparation

### (i) Statement of compliance with Indian Accounting Standards (Ind AS)

These financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for all the periods presented in these financial statements.

### (ii) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

# 2. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement basis summarised as below. These policies are applied consistently for all the periods presented in the financial statements.

## a) Property, plant and equipment

#### Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit and loss.

#### Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the straight-line method over the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013.

#### The useful life of the assets is as follows:

| Asset class            | Useful life |
|------------------------|-------------|
| Computer equipment     | 3 years     |
| Office equipment       | 5 years     |
| Furniture and fixtures | 10 years    |

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

### De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

# b) Revenue recognition

#### Interest income on loans

Interest income on loans (including processing fee) is recorded on accrual basis using the effective interest rate (EIR) method.

# Interest on bank deposits

Interest income on bank deposits is recorded on accrual basis using the effective interest rate (EIR) method.

#### Management and other fees

Management and other fee are recognised as revenue on accrual basis based on contractual arrangement, when there is no uncertainty in the ultimate realisation/collection.

#### Incentive fees

Incentive fee is recognised as revenue on accrual basis based on contractual arrangement, when there is no uncertainty in the ultimate realisation/collection.

#### Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

# c) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use sale, are capitalised. Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

# d) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future

taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

# e) Employee benefits

#### Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to availed after one year from the balance sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

#### Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss

#### Defined benefit plans

The Company has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognised in the balance sheet for defined benefit plans is the present value of the defined benefit obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

#### f) Share based payments

The Holding Company has formulated various Employees Stock Option Schemes. The fair value of options granted under Employee Stock Option Plan is recognised as an employee benefits expense with a corresponding increase in other equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to equity

# g) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of

an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

#### h) Impairment of financial assets

#### Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 (1-30 days past due) includes loan assets that have not had a significant increase in credit risk since initial
  recognition or that have low credit risk at the reporting date.
- Stage 2 (31-60 days past due) includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 (more than 90 days past due) includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

**Probability of Default (PD)** - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) – LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) – EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

#### Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

#### Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

# i) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term highly liquid investments (certificate of deposits) that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value. For cash flow statement purposes, cash and cash equivalents includes bank overdrafts that are repayable on demand and form an integral part of the Company's cash management.

### i) Investment in security receipts of Asset Reconstruction (AR) trusts

Investments representing controlling interest in AR Trusts are measured at cost in accordance with Ind AS 27 'Separate Financial Statements'. The Investments sold subsequent to the reporting date are measured in accordance with Ind AS 105 'Non-current Assets Held for sale and Discontinued Operations' at lower cost or fair value.

### k) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company
  or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required
  to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

#### 1) Leases

Ind AS 116 - 'Leases' (Ind AS 116) was notified in March 2019 and it replaces Ind AS 17 Leases. Ind AS 116 is effective for annual periods beginning on or after 1 April 2019. The Company has applied Ind AS 116 with a date of initial application of 1 April, 2019 using modified retrospective approach, under which the lease liability is measured based on the remaining lease payments (i.e., from the date of transition to the lease end date) discounted using the incremental borrowing rate as of the date of initial application being 1 April 2019. The carrying amount of the ROU asset is an amount equal to the carrying amount of the lease liability on the date of initial application as there are no prepayments or accrual items and hence, no impact on the retained earnings as on the transition date. There is no impact on retained earnings as at 1 April 2019. The Company has applied Ind AS 116 only to the contracts that were previously identified as leases. As a practical expedient, contracts previously identified as lease under Ind AS 17 has not reassessed as to whether a contract is, or contains, a lease under Ind AS 116.

The Company has used the following practical expedients when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17:

- Relied on its assessment of whether leases are onerous immediately before the date of initial application.
- Applied the exemption not to recognize right-of-use asset and liabilities for leases with remaining lease term of 12 months or less.
- Excluded initial direct costs from measuring the right-of-use asset at the date of application.
- Used hindsight when determining the lease term if the contract contains options to extend or terminate the lease.
- Payments in relation to leases of low-value assets are recognised as an expense in statement of profit or loss.

#### Accounting Policy before 1 April 2019

Leases in which the lessor does not transfer substantially all the risks and rewards of ownership of an asset to the lessee are classified as operating leases. Lease rental are charged to statement of profit and loss on straight line basis except where scheduled increase in rent compensates the lessor for expected inflationary costs.

#### m) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

#### Non-derivative financial assets

#### Subsequent measurement

- i. Financial assets carried at amortised cost a financial asset is measured at the amortised cost if both the following conditions are met:
  - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
  - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal
    and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

ii. Investments in security receipts – Investments in security receipts where the Company holds non-controlling interest are classified as at fair value through profit or loss (FVTPL).

# De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

#### Non-derivative financial liabilities

#### Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

#### De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

# n) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### o) Foreign currency

#### Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees, which is the Company's functional and presentation currency.

#### Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

# p) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

#### Significant management judgements

**Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Expected credit loss ('ECL') – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- · Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of 'product/market and the associated ECL; and
- Establishing groups of similar financial assets for the purposes of measuring ECL.

**Provisions** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

# Significant estimates

Useful lives of depreciable assets – Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

**Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

(All amounts in Rs. Lakhs unless stated otherwise)

#### Nature and purpose of other reserve

#### Securities premium

Securities premium represents premium received on issue of equity shares. The account can be utilised in accordance with the provisions of the Companies Act 2013.

#### Share Option Outstanding Reserve

Share Option Outstanding Reserve is used to record the value of equity-settled share based payment transactions with employees. The amounts recored in share based payment reserve are transferred to share premium/retained earnings upon exercise of stock options by employee.

# Retained earnings

Retained earnings are the accumulated profits earned by the company till date And actuarial gains and losses on defined benefit plans are considered in other comprehensive income (net of taxes) and distributions made to the shareholders.

#### 29 Financial instruments

#### A Financial assets and liabilities

| Particulars   | Note         | As at 31 March<br>2024 | As at 31 March<br>2023 |
|---|--------------|------------------------|------------------------|
| Financial assets measured at fair value   |              |                        |                        |
| Investments*  |              |                        | 100                    |
| - measured at fair value through profit and loss  | Note 5       | 2,552.02               | 17,599.80              |
| Financial assets measured at amortised cost   |              |                        | 7.36                   |
| Cash and cash equivalents, including Bank balances other than cash and cash equivalents | Note 3 and 4 | 1,162.16               | 1,203.30               |
| Other financial assets  | Note 6       | 30.92                  | -                      |
| Total   |              | 3,745.09               | 18,803.10              |
| Financial liabilities measured at amortised cost  |              |                        | 233                    |
| Trade payables  | Note 11      | 112.99                 | 81.22                  |
| Other payables  | Note 12      | 1,248.36               | 287.02                 |
| Other financial liabilities   | Note 13      | 794.11                 | 470.22                 |
| Total   |              | 2,155.46               | 838.46                 |

<sup>\*</sup> Investment in subsidiaries are measured at cost as per Ind AS 27, 'Separate financial statements' and hence, not presented here.

#### B Fair values hierarchy

The fair value of financial instruments as referred to in note (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

#### B.1 Financial assets and liabilities measured at fair value - recurring fair value measurements

| As at 31 March 2024   | Level 1 | Level 2 | Level 3  | Total    |
|---|---------|---------|----------|----------|
| Assets  |         |         |          |          |
| Investments at fair value through statement of profit of loss |         |         | 200      |          |
| Unquoted security receipts                                    |         | 2       | 2,552.02 | 2,552.02 |

| As at 31 March 2023   | Level 1 | Level 2 | Level 3   | Total    |
|---|---------|---------|-----------|----------|
| Assets  |         |         |           |          |
| Investments at fair value through statement of profit of loss |         |         |           |          |
| Unquoted security receipts                                    |         | 970     | 17,599.80 | 17,599.8 |

#### Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- for unquoted security receipts, the Company has used adjusted discounted cash flow method (income approach).

- for mutual funds, on the basis of statement received from investee party.

| Particulars                | Fai                    | Fair value             |           |   |

(All amounts in Rs. Lakhs unless stated otherwise)

#### B.2 Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 3 inputs:

| Particulars   | As at 31 N     | farch 2024 | As at 31 March 2023 |              |
|---|----------------|------------|---------------------|--------------|
|   | Carrying value | Fair value | Carrying value      | Fair value   |
| Financial assets  |                |            |                     | TT 2000 (200 |
| Cash and cash equivalents, including Bank balances other than cash and cash equivalents | 1,162.16       | 1,162.16   | 1,203.30            | 1,203.30     |
| Other financial assets  | 30.92          | 30.92      | -                   | -            |
| Total   | 1,193.08       | 1,193.08   | 1,203.30            | 1,203.30     |
| Financial liabilities   |                |            |                     |              |
| Trade payables  | 112.99         | 112.99     | 81.22               | 81.22        |
| Other payables  | 1,248.36       | 1,248.36   | 287.02              | 287.02       |
| Other financial liabilities   | 794.11         | 794.11     | 470.22              | 470.22       |
| Total   | 2,155.46       | 2,155.46   | 838.46              | 838.46       |

The management assessed that fair values of cash and cash equivalents, trade receivables, trade payables, other payables and other financial liabilities approximate their respective carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is considered at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- (i) The fair values of the Company's fixed interest bearing loans and security deposits are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period.
- (ii) The fair values of the Company fixed interest-bearing debt securities are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period.

#### 30 Financial risk management

#### i) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors have overall responsibility for the establishment and oversight of the Company risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

| Risk           | Exposure arising from  Cash and cash equivalents, including Bank balances other than cash and cash equivalents, trade receivables, loans and other financial assets. | Measurement Ageing analysis. | Risk management  |  |  |
|----------------|--|------------------------------|--|--|--|
| Credit risk    |  |                              | Bank deposits, diversification of asset base, credit limits<br>and collateral. |  |  |
| Liquidity risk | Debt securities and other financial liabilities.   | Rolling cash flow forecasts. | Availability of committed credit lines and borrowing facilities.               |  |  |
| Market risk    | Investments in security receipts.  | Sensitivity analysis.        | Diversification of portfolio, with focus on strategic investments.             |  |  |

The Company's risk management is carried out by treasury department (of the Company) under policies approved by the board of directors. The Company has overall risk management framework for overall risk management, as well as policies covering specific areas, such as interest rate risk, credit risk and investment of excess liquidity.

#### A) Credit risk

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

#### a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk on financial reporting date
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

| Asset group          | Basis of categorisation  | Provision for expected credit loss                              |  |  |
|----------------------|--|---|--|--|
| Low credit risk      | Cash and cash equivalents, including Bank balances other<br>than cash and cash equivalents, trade receivables, loans and<br>other financial assets | 12 month expected credit loss                                   |  |  |
| Moderate credit risk | Loans  | Life time expected credit loss or 12 month expected credit loss |  |  |

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a borrower declaring bankruptcy or a litigation decided against the Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Financial assets that expose the entity to credit risk\*

|      | Particulars   | As at 31 March<br>2024 | As at 31 March<br>2023 |
|------|---|------------------------|------------------------|
| (1)  | Low credit risk on financial reporting date   |                        |                        |
|      | Cash and cash equivalents, including Bank balances other than cash and cash equivalents | 1,162.16               | 1,203.30               |
|      | Other financial assets  | 30.92                  | 1,200,00               |
| (ii) | Moderate credit risk  |                        |                        |
|      | Loans   |                        |                        |

<sup>\*</sup> These represent gross carrying values of financial assets, without deduction for impairment loss allowance.

#### Summary of significant accounting policies and other explanatory information for the period ended 31 March 2024

(All amounts in Rs. Lakhs unless stated otherwise)

#### Cash and cash equivalents

Credit risk related to cash and cash equivalents is managed by only accepting highly rated banks.

#### Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes security deposits. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

#### Loans

The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process (wherever applicable) to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan assets that become past due and default is considered to have occurred when amounts receivable become one year past due.

#### b) Credit risk exposure

#### i) Expected credit losses for financial assets other than loans

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- For investments Considering the investments are in mutual funds and security receipts of ARC trusts, credit risk is considered low.
- For security deposits paid Credit risk is considered low because the Company is in possession of the underlying asset.
- For other financial assets Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

| As at 3i March 2024   | Estimated gross<br>carrying amount<br>at default | Expected credit<br>losses | Carrying<br>amount net of<br>impairment |
|---|--|---------------------------|---|
| Cash and cash equivalents, including Bank balances other than cash and cash equivalents | 1,162.16   |                           | 1,162.16                                |
| Other financial assets  | 30.92  | -                         | 30.92                                   |

| As at 31 March 2023       | Estimated gross<br>carrying amount<br>at default | Expected credit<br>losses | Carrying<br>amount net of<br>impairment |
|---------------------------|--|---------------------------|---|
| Cash and cash equivalents | 1,203.30   |                           | 1,203.30                                |
| Other financial assets    | -  | -                         | -                                       |

#### (ii) Expected credit loss for loans

#### Definition of default:

The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the probability of default, Exposure at default and Loss given default.

Changes in the gross carrying amount in relation to loans from beginning to end of reporting period:

| Particulars                                | Stage 1  | Stage 2 | Stage 3 |
|--|----------|---------|---------|
| Gross carrying amount as at 1 April 2022   | 358.64   | -       | -       |
| Assets originated and acquired             |          |         | _       |
| Assets derecognised (excluding write offs) | (358.64) |         |         |
| Gross carrying amount as at 31 March 2023  | -        |         |         |
| Assets originated and acquired             |          | -       | -       |
| Assets derecognised (excluding write offs) |          |         |         |
| Gross carrying amount as at 31 March 2024  |          |         |         |

The Company had extended loans for the first time in financial year 2018-19 and does not have history of extending loans. The loan is 100% secured by the collateral and the management believes the underlying loan is in stage 1. Major portion of the loan has been received and there is no significant increase in the credit risk as at the reporting date. Accordingly, no allowance for impairment has been recorded.

#### B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

#### (i) Maturities of financial assets and liabilities

The tables below analyse the Company financial assets and liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows:

#### As at 31 March 2024

| Particulars   | Less than 1<br>year | 1-2 year | 2-3 year | More than 3<br>years | Total             |
|---|---------------------|----------|----------|----------------------|-------------------|

|                             |                     |          |          | 150                  |           |

<sup>\*</sup>Other financial assets are shown at unamorised cost.

### C) Market risk

### a) Interest rate risk

### i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2024, there are no interest bearing liabilities and accordingly, the Company do not have any exposure to interest rate risk.

### ii) Asset

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

### D) Price risk

### i) Exposure

The Company's exposure price risk arises from investments held and classified in the balance sheet either as fair value through other comprehensive income or at fair value through profit or loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

### ii) Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period:

Impact on profit after tax

| Particulars                       | For the period<br>ended 31 March<br>2024 | For the year<br>ended 31 March<br>2023 |
|-----------------------------------|--|--|
| Security receipts                 |  |  |
| Net assets value – increase by 5% | 95.48                                    | 658.50                                 |
| Net assets value – decrease by 5% | (95.48)                                  | (658.50)                               |

### 31 Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

| Particulars          | As at 31 March<br>2024 | As at 31 March<br>2023 |
|----------------------|------------------------|------------------------|
| Debt*                |                        |                        |
| Total equity         | 52,334.38              | 63,848.25              |
| Debt to equity ratio | 34,034,00              | 03,040.23              |

<sup>\*</sup> Debt includes debt securities and interest accrued on debt securities.

Summary of significant accounting policies and other explanatory information for the period ended 31 March 2024

(All amounts in Rs. Lakhs unless stated otherwise)

### 36 Employee benefits

The Company has adopted Indian Accounting Standard (Ind AS) - 19 on Employee Benefit as under:

### Defined contribution plans

### Provident fund and other funds

The Company has made Rs. 173.79 Lakhs (31 March 2023 Rs. 20.94 Lakhs) contribution in respect of provident fund and other funds.

### Defined benefit plans

### A Gratuity (non-funded)

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.

Risks associated with plan provisions

| Salary increases       | Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.                    |
|------------------------|---|
| Investment risk        | If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability. |
| Discount rate          | Reduction in discount rate in subsequent valuations can increase the plan's liability.  |
| Mortality & disability | Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.  |
| Withdrawals            | Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.                          |

| Up to 30 years  | 3.00%                                    | 3.00%                       |  |
| From 31 to 44 years                                   | 2.00%                                    | 2.00%                       |  |
| Above 44 years  | 1.00%                                    | 1.00%                       |  |
| Weighted average duration                             | 20.96                                    | 18.90                       |  |
| Mortality rates inclusive of provision for disability | 100% of IALM<br>(2012 – 14)              | 100% of IALM<br>(2012 – 14) |  |

Gratuity is payable to the employees on death or resignation or on retirement at the attainment of superannuation age. To provide for these eventualities, the Actuary has used Indian Assured Lives Mortality (2012-14); Previous Year (2012-14) Ultimate table.

## (vi) Sensitivity analysis for gratuity liability

| Particulars  | For the period<br>ended 31 March<br>2024 | For the year<br>ended 31 March<br>2023 |  |
|--|--|--|--|
| Impact of the change in discount rate              |  |  |  |
| Present value of obligation at the end of the year |  |  |  |
| - Impact due to increase of 0.50 %                 | (47.87)                                  | (1.47)                                 |  |
| - Impact due to decrease of 0.50 %                 | 53.44                                    | 1.58                                   |  |
| Impact of the change in salary increase            |  |  |  |
| Present value of obligation at the end of the year |  |  |  |
| - Impact due to increase of 0.50 %                 | 54.36                                    | 1.61                                   |  |
| - Impact due to decrease of 0.50 %                 | (49.04)                                  | (1.51)                                 |  |

Sensitivities due to mortality and withdrawals are not material and hence impact of change due to these is not calculated.

Sensitivities as to rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not

# (vii) Maturity profile of defined benefit obligation

|                | Particulars | As at 31 March<br>2024 | As at 31 March<br>2023 |
|----------------|-------------|------------------------|------------------------|
| 0 to 1 year    |             | 7.43                   | 0.41                   |
| 1 to 2 year    |             | 10.40                  | 0.33                   |
| 2 to 3 year    |             | 13.26                  | 0.34                   |
| 3 to 4 year    |             | 11.65                  | 0.35                   |
| 4 to 5 year    |             | 13.18                  | 0.36                   |
| 5 to 6 year    |             | 17.97                  | 0.37                   |
| 6 year onwards |             | 549.37                 | 23.41                  |

Indiabulls Asset Reconstruction Company Limited
Summary of significant accounting policies and other explanatory information for the period ended 31 March 2024
(All amounts in Rs. Lakhs unless stated otherwise)
